

**Strings  
Speak  
Mountains**

~

**Abarat  
Ensemble**

~

**EP Companion**

## Notes

~

This EP was first released on YouTube exclusively over the period of three months. It was released on October 27th, 2019. It marks the first release of the Strings Speak Mountains moniker. Two tracks were removed in the official release due to sampling laws.

They are still available.

**In Remembrance of 'Malingo' and 'Bilarki'.**

**There are only two left.**
